A1 'Feel like a tiny ant  
In a dark universe  
Where is my confidence  
Life took a turn

The ant got lost in the night  
Where is my joy – my inner light?

A2 I am a red eyed ant  
Scared of my face  
I don't feel pretty now  
No – I just feel ashamed

The ant got lost in the night  
You took my joy - and my light

Bro

B stykke: Stop it now o-only GOD is perfect  
-You heard me!  
Stop it now o-only GOD is perfect  
- And you're not GOD.

A3 First step is: "take a breath"  
- You are alive  
Next step is: "hold my hand"  
And you're gonna be alright

Don't be afraid - One step at a time  
I need your help like you need mine
